How do I give?

When you give to Park Street Church, your money will go directly into the Ministry and Operations fund, **unless** otherwise specified. If you would like for all or some of your giving to go to the Missions budget, you must designate it for "Missions." There are various ways to give:

ONLINE

Visit parkstreet.org/give to give securely by either ACH/bank transfer or by credit or debit card. Select the "Missions" fund from the drop-down menu.

PLEDGE

Many find that pledging their giving for the year helps them to organize and follow through with their stewardship. Email missions@parkstreet.org for a pledge card.

BY CHECK

Mail a check to the following address, payable to Park Street Church with **"Missions" on the memo line**. You may also drop your check in the offering plate.
