Clothing for Park Street Church HOME Ministry Guests

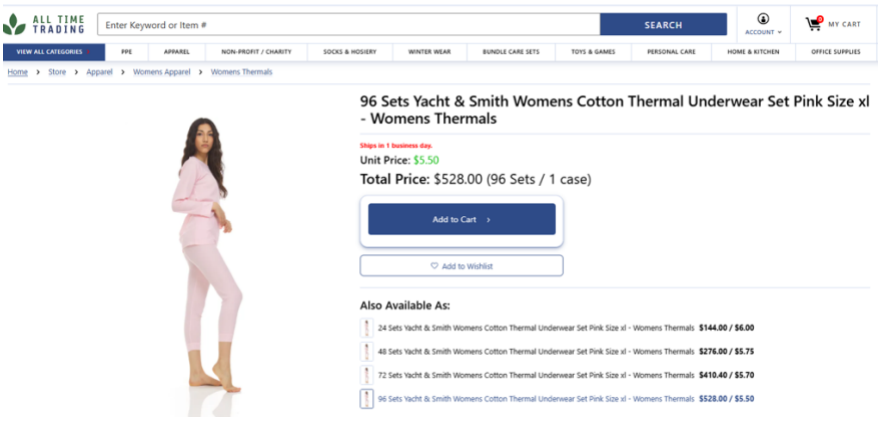

The Home Ministry is one aspect of Park Street Church's City Engagement. At Home we welcome 120-160 unhoused and other local neighbors every Thursday evening and Saturday morning for hot food, drink, friendship, prayer and clothing, 60-100 of whom each time want some item of clothing or toiletries.

We all appreciate clean fresh clothes and good hygiene; but it's that much more challenging if you live on the streets or struggle with access to or use of laundry/cleaning facilities or storage. We invite you to join with us meeting these very basic needs of our fellow God-image-bearers. Thank you!

HOW TO DONATE:

- Review the complete list below of items typically needed.
- Decide which method(s) of donation you prefer:
    - Bring donations to the church (contact cityengagement@parkstreet.org to coordinate drop-off). Consider organizing a collection among work colleagues, neighbors and friends.
    - Purchase items online for delivery via Amazon wishlist or example bulk-buy sites (for questions contact cityengagement@parkstreet.org)
        - We have a few items on the Amazon wishlist that are typically well-priced: https://a.co/0bypOW4j (updated 6/1/26)
        - All-Time-Trading and similar sites often provide bulk purchase options for example women's thermals.
    - Donate financially: cash/check to Park Street Church (with a note indicating for "Missions/Home ministry") or online (selecting "Missions" and to designate to Home Ministry please send a corresponding email stating such to our Controller, Joe Ghobrial at jghobrial@parkstreet.org).
