Collective Prayers

"Praying at all times in the Spirit, with all prayer and supplication. To that end, keep alert with all perseverance, making supplication for all the saints" (Ephesians 6:18)

Let us pray together for...

Gratitude and love for this country, our United States of America.

Defense of human freedoms for all Americans, and the expansion of freedoms around the globe.

Protection and virtue to cover the men and women serving in our military.

Revival and true unity in every church embracing the love of God in Christ crucified and risen.

Spiritual awakening in our schools and universities, health professions, our police and politicians, throughout Boston, and across America.
