Missions Budget Update

At the Annual Meeting in February the congregation approved a "Big Ask" regarding the 2023 Missions Budget and anticipates a substantial increase of \$266K in giving, or 15.9%, for this year. This increase is due to long-planned, additional funding for PSC missionaries to various parts of Asia and the Middle East and continuing outreach through City Engagement. Currently, year-to-date giving to Missions is equal to, but not greater than, last year. **Please remember that gifts toward the Missions Budget must be specifically designated that way when you give electronically or noted in the memo line on your check or envelope.** Go to parkstreet.org/announcements for an illustration that provides a summary of the need.

The 2023 Ministry & Operations Budget anticipates a more modest increase in congregational giving of \$141K, or 4.6% and giving is currently at a pace to achieve that outcome.

Collective Prayers

"But you, Beloved, be praying in the Holy Spirit." Jude 20

Let us pray this week for...

- A gospel awakening in Boston, Massachusetts, New England, and America.
- Protection for all of our missionaries and for favor with their host countries so that they are able to remain and minister long-term.
- Wisdom and provision for our short-term mission teams that are raising funds and preparing for their trips this summer.
- Those struggling to pay rent, that God would provide a way.
- The Spirit's fruits, gifts, and power to fill the life of our church. Let us pray "Come, Holy Spirit, fall freshly on us."

Submit personal prayer requests to parkstreet.org/requestprayer, or call 617-523-3383.
